

Safety Guillotine

00868

The guillotine with complete equipment.

Guillotine 868 is equipped with innovative features to suit your specific cutting needs. This newly designed guillotine cuts pressure-sensitive material smoothly because of the automatic clamp that can be activated or deactivated whenever necessary. A front table, narrow-strip cutting device and battery-powered laser module are included.

- Sturdy metal table.
- Front table for larger supporting surface.
- Narrow-strip cutting device.
- Precision laser beam line indication.
- Screw-mounted, ground upper and lower blade in Solingen cutlery steel.
- Automatic safety guard.
- Selectable and de-selectable clamp.
- Two scale bars.
- Sturdy metal backstop in guide channels.
- Table marked out in DIN sizes.
- Integrated recessed grips.
- 5-year warranty, excluding wear parts!
