

## 95540

Dahle magnets will cling to any surface with a reasonable ferrous content. Their easy-grip caps make them simple to position and quick to remove. Clean-cut design, bright colours in many shapes and sizes make them ideally suited to a wide range of applications - as either fixing or planning elements.  
Colours:

Contents:	10 pieces
Holding power:	8 N = 800 g
Height:	7 mm
Size:	13 x 40 mm
